DREAM, PLAN and ACHIEVE

Welcome Back from the unexpected
real Winter Weather!

We seem to have many
runny noses in school.
If everyone would send in
one box of tissues, the
children would be well
supplied! Thank you!

BUSING FOR NEXT SEPTEMBER!

If you wish your child to get busing next year, the form you received last week must be returned immediately.

The forms are due into the Trenton Board of Education at end of next week! If you need another form call the Office.

KINDERGARTEN NEWS!

There have been many fun and exciting things happening recently in the Kindergarten classroom! We just finished our celebrations for the 100th Day of School and Valentines Day.

Thank you very much to all of the parents for your support.

Next week Wednesday, Feb. 24, we will be going to see the show “Click Clack Moo”. I will be reading and discussing the story with the children ahead of time to help prepare them. They should really enjoy it!

The children have been very busy continuing to practice their letters and sounds. They are sounding out and recognizing more and more words every day! Some of us are even beginning to read independently. They are continuing to write daily in their *Writing Journal*, and they are doing fantastic! In Math, we have been learning our numbers 1-30. We have also been working on counting by 10s and 5s. The children are doing extremely well with this.

Notes to Parents:

1. Please continue to make sure your child is completing ALL of their homework every night. You may help them when necessary, but do not do it for them.
2. Please make sure you are reading with your child EVERY day and filling out our Reading Log. February Reading Log is due next Friday.
3. Please check out our classroom website. I am constantly updating it with new info and pictures. Visit <http://huber.webnode.com>.
