DREAM, PLAN and ACHIEVE

LAST DAY TOMORROW FOR

Parent-Teacher Conferences– April 29 . Call for an appointment.

Report Cards will only be given to parents during Conferences!

HOME AND SCHOOL CONNECTION

Leukemia and Lymphoma

Pennies for Pasta—There is great competition among the grades.

Fourth grade had a bake sale Monday and that puts them way out ahead of the other classes. The students did all the baking and icing. They were terrific. Moms you have some future cooks in your house! Aside from the delicious baked goods, the money made for this cause is a wonderful show of support.

Meet Shayne Age 6,
1st Grade, Diagnosis: ALL
Acute Lymphocytic Leukemia
City: Midland Park

"Some succeed because they are destined to, but most succeed because they are determined to."

Ice-skating Champion

By McKayla Jackson, Grade 2

I think I can ice skate well. I can ice skate well because I am the champion of ice skating. I get trophies and the people throw flowers and roses at me because they love me. The people love my dress.

I think I can ice skate well because I turn around in a circle. I put my foot up in the air and I stop and bow. I stop so fast that I can not hit a person. When somebody is ice skating so fast I will have to get out of their way.

I am the champion because I never fall. I never fall because I have a lot of balance and I can skate fast. Sometimes I skate slowly. I like to ice skate fast because when I skate fast it feels good and when I skate slow I feel hot.

I skate with my friends and race with them and I win. I win because I learned how to skate so fast. When I skate so fast I can get trophies. When I get big trophies I feel happy. That's why I think I can ice skate.

LOVE

By Maya Vieux, Grade 4

"Live, Laugh, Love"

Love your heart
don't feel pain it will
just feel like your
in the rain. Cherish
the moments and
you'll feel like your not in pain.
You can Love, Live and Laugh always.
