Second Grade Creative Writing

You Should Follow The Law
By Dorcas Are, Grade Two

I think you should follow the law. You should follow the law because you can go to jail. You will be breaking the law if you speed in your car. You would be breaking the law when you steal. You would be breaking the law if you kill people.

If you don't follow the law you can get hurt. If you go on the train tracks when the pole is down you can get ran over. When you run in the hall you can slip and fall.

If you don't follow the law you can have an accident on the road. If you speed you can hit someone. You can get hurt when you talk on the phone and drive. If you don't look at a sign correctly you can get a ticket.

These are the reasons you should follow the law.
You would be happy and safe if you follow the law.

SUMMER SCHOOL Please read, sign and return the Summer School letter you received last week. If you have questions, please call the office or your child's teacher. Thank you.

Over the summer children tend to forget some of what they have learned during the school year. Summer School is an excellent reinforcement and strengthening tool!

LOOKING AHEAD
