HOME AND SCHOOL CONNECTION

SUMMER SCHOOL

Dear Parents/Guardians,
If you received a letter
concerning Summer School and have not
returned the bottom portion, please return
the slip by Friday.

If you have questions or concerns, please
call the office now. Thank you.

=====

TEE SHIRTS SCHOOL YEAR 2010-11

All students will need to purchase a T-shirt
for next year. This T-Shirt will be worn for
Gym classes and on Class Trips.

Please see the flyer in today's folder. It is
due back to school on June 2, 2010!

SUCCESS

"Success
usually comes to those who
are too busy to be looking
for it." -Henry David Thoreau

THIRD GRADE NEWS!

I can hardly believe that the end of the school year is almost here and Third Grade still has so much work to do! We are particularly busy Math and Science. Also, we recently conquered the NJASK and proudly celebrated our hard work!

Our Science lessons has been "Out of the World!" We began a new chapter called Patterns in the Sky... The children are absorbing all the information. We completed a super lesson about Moon Phases. We read about it, modeled it, drew diagrams and then finally ate it! Yes, ate the moon Phases using Oreo Cookies! It was a delicious Educational lesson. We hope to end the school year by blasting into the last chapter "Our Solar System!"

In Math, we recently completed Chapter 10 which challenged the children to Multiply 3 and 4 digit numbers. We will end the school year in Math by **Dividing with Remainders**. They are doing great but need to remember to study their facts—even during the summer! **It will help them next year if they have them memorized.**

Speaking of Summer Break, it is very important that the children continue to read. Each child will have a **Summer Reading List and Activities** that they need to complete before they return to school in September. This list will be put in their report card and sent home on the last day of school. **Please don't forget to encourage your child to READ!**

I look forward to seeing all of you at Field Day (June 4). Let's have a fantastic ending to a fantastic year! **It has been my extreme pleasure to work with you and to teach your children throughout this school year! ~ Ms. M :)**

LOOKING AHEAD

- Tomorrow Thursday, May 27, Philadelphia Zoo, Grades K-1
- Friday, May 28, Half Day—Dismissal 12:30 p.m.
- Monday, May 31, Memorial Day, No School
