site. internationalcs.org

SCHOOL POLICY ON ILLNESS

We must be vigilant regarding
infectious diseases. We are
strictly enforcing our school
illness policy.

If you suspect your child is sick and has a
temperature of 100 degrees or above, you must
keep your child home until he or she is fever
free for 24 hours **without** medication (tylenol,
etc.)

Please call school to report
your child sick and be prepared to describe
symptoms and temperature. Your child must
have a note from you with the reason he or she
was absent.

**If your child is absent for three or more
days , a written note from the Doctor must
be provided.**
